STATE OF MINNESOTA

DISTRICT COURT

COUNTY OF CARVER

FIRST JUDICIAL DISTRICT PROBATE DIVISION

In the Matter of:

Court File No. 10-PR-16-46 Judge Kevin W. Eide

Estate of Prince Rogers Nelson,

Decedent.

DECLARATION OF ANGELA W.
AYCOCK REGARDING COMERICA'S
FEES AND COSTS FROM OCTOBER
2017 THROUGH JANUARY 2018 AND
IN SUPPORT OF PETITION FOR
COMERICA'S FEES AND COSTS FOR
FEBRUARY 2018 THROUGH
JANUARY 2019
(REDACTED)

I, Angela W. Aycock, declare and state as follows:

- 1. I am a Trust and Estate Officer at Comerica Bank & Trust, N.A. ("Comerica"). Along with Andrea L. Bruce—who is Vice President and Manager of Comerica's Unique Assets Department—I lead and manage Comerica's administration of the estate (the "Estate") of Prince Rogers Nelson (the "Decedent").
- 2. I joined Comerica in 1999 and have spent the last 19 years as an attorney in Comerica's estate settlement department. Prior to joining Comerica, I worked as an attorney for the Michigan Court of Appeals in the Court's Prehearing Division. Ms. Bruce's career with Comerica began in 1994 and since 1997 she has provided oversight and management of closely held and other complex assets in trust and estate accounts. She now manages Comerica's Unique Assets Department which oversees approximately six hundred million in closely held assets and five hundred million in real estate assets under management.
- 3. Based on the unique nature of, and the extraordinary time and expertise that is involved in administering, this Estate, Comerica has been charging the Estate a preliminary flat

fee of \$125,000 per month for the first year of our engagement (plus expenses). Pursuant to the Court's March 22, 2017 Order, every four months, Comerica submits its fees and expenses to the Court for approval. Based on the significant time and resources Comerica devoted to the Estate during the first year of the engagement—which included two more-than-full time trust officers and hundreds of hours of time spent by other employees from Comerica's legal and trust departments—including, notably, multiple employees that spent weeks at Paisley Park and on-site at Comerica inventorying assets and preparing them for transport—the \$125,000 monthly fee was far less than Comerica would have charged had it billed the Estate pursuant to its standard fee schedule. Comerica's first year serving as personal representative ended on January 31, 2018.

- 4. When Comerica accepted appointment as personal representative, it anticipated that the matter would require significantly less time and resources after January 31, 2018 than during the first year. Based on multiple factors, including complicated Heir relations, the Court-appointed mediation process, the need to replace the UMG agreement and the time necessary to implement a new agreement, and multiple unanticipated litigation matters and other disputes, Comerica no longer believes that will be the case. Instead, Comerica expects and believes that it will be required to expend a similar amount of work and resources on the Estate for the foreseeable future, and certainly for the next year, as it did during the first year of its appointment.
- 5. Accordingly, Comerica proposes that for 2018, Comerica be provisionally entitled to receive compensation at the rate of \$125,000 per month, plus reimbursement for expenses incurred in connection with administration of the Estate. Consistent with the March 22, 2017 Order, Comerica will continue to submit its compensation and expense reimbursements for

review to the Court every four months (*i.e.*, on June 15, 2018 for compensation and expense reimbursements for February 1, 2018 through May 31, 2018) and the Heirs would have 14 days after service to submit written objections. The Court would then consider all supporting submissions made by Comerica and would order Comerica to reimburse the Estate in an amount that it determines to be reasonable and appropriate, if the Court believes that there was an overpayment of fees or expenses to Comerica. We propose that the same process—again as outlined in the Court's March 22 Order—would also continue to apply to the fees and expenses of our counsel.

- 6. Comerica believes this proposal is fair and reasonable, including because:
  (a) Comerica is not asking for an increase in fees, despite its underpayment for services actually provided over the last year and expectation that service demands will be similar during the next twelve months; and (b) because the fee affidavit and review process not only allows for Court oversight, but also allows parties to request amendments to the fee as appropriate based on developments in the Estate.
- 7. Pursuant to the Court's March 22, 2017 Order, Comerica has received compensation for its services in the amount of \$125,000 per month for October 2017, November 2017, December 2017, and January 2018, for a total of \$500,000. Comerica has also received expense reimbursements in October 2017 in the amount of \$22,172.93, in November 2017 in the amount of \$15,732.51, in December 2017 in the amount of \$3,764.53, and in January 2018 in the amount of \$6,726.26, for a total of \$48,396.23 in travel expenses incurred on behalf of the Estate. Comerica also incurred \$638.00 in international wire transfer fees during this time period. Attached hereto as Exhibit A is a schedule with details on Comerica's compensation and expense reimbursements from October 2017 through January 2018.

- 8. Comerica has devoted substantial resources to administering this extraordinary Estate. Both Ms. Bruce and I are working on this matter on a full-time basis. Since October 2017, Ms. Bruce and I have each devoted an average of 50 hours each week administering the Estate. Multiple other Comerica officers and employees have also devoted substantial time to administering the Estate, including Gerard Snover (who has been managing the real property held by the Estate), Cyndi Mann (who has provided administrative assistance to Mr. Snover), Patrick Davis (who has directed the inventory of audio and visual assets at Paisley Park), Linda Joiner (who has been handling the Estate's transactional matters), Brian Wolfe (who serves as the Manager of Comerica's Estate Administration Department and has assigned and overseen a staff of four additional Comerica employees to the Paisley Park inventory project), in house counsel Susan Nystrom (who has monitored litigation involving the Estate), and Jennifer Raczak (who serves as a Closely Held Business Analyst and has assisted with monitoring and analyzing financial statements and performance, gathering and reviewing royalty statements, assisting with trademark analysis and filings, and organizing digitization efforts of over 500 file boxes of documents). In total, at least fifteen Comerica employees have assisted with the administration of the Estate since October 2017. In addition, Comerica senior management reviews the administration status and activities of the Estate on a weekly basis.
