

STATE OF MINNESOTA  
COUNTY OF HENNEPIN

DISTRICT COURT  
FOURTH JUDICIAL DISTRICT

**State of Minnesota,**

Plaintiff,

**ORDER ALLOWING  
AMENDED COMPLAINT**

vs.

**Mohamed Mohamed Noor,**

Case File No. 27-CR-18-6859

Defendant.

On November 29, 2018, the State filed a Motion to Amend the Complaint in this case. In the supporting memorandum, the State argued that a sufficient basis exists for the additional charge of Murder in the Second Degree – Intentional, pursuant to Minn. Stat. § 609.19, subd. 1(1). Minnesota Rule of Criminal Procedure 3.04 permits the State to amend its complaint for additional charges before the commencement of trial. The defense did not respond.

Based upon all files, records, and submissions, herein,

**IT IS HEREBY ORDERED:**

1. The State may amend the complaint to add the charge of Murder in the Second Degree – Intentional, pursuant to Minn. Stat. § 609.19, subd 1(1)—as permitted by Minn. R. Crim. P. 3.04.
2. The filing deadlines and hearing dates within the Court’s Scheduling Order remain unchanged.

Kathryn L. Quaintance  
Judge of District Court
