

Fourth Judicial District Court Review of Tracking and PRTT Warrants by Daytime Signing Judge

An email account, 4thDistrictWarrant@courts.state.mn.us, has been created for use by law enforcement to send the signing judge 626A and other warrants that cannot be submitted using the BCA eCharging queue. This email address should not be used for any search warrant that can be sent to the judge through the BCA eCharging queue, nor should it be used to send search warrants to the overnight or weekend signing judge.

Sign Your Warrant Search warrant affidavits must be signed by the submitting officer before judicial review. Please swear and sign your affidavit using the format below. You should NOT include a signature line for the judge on your affidavit. The judge does not sign your affidavit because you are submitting it under penalty of perjury.

**I declare under penalty of perjury that everything I have stated
in this document is true and correct.**
