

## Tips – Connecting to Audio Using Zoom App

Options for connecting to audio in the Zoom Application:

Androids

iPhones

1. **Wifi or Cellular Data** immediately connects Zoom to the device's audio.
  - a. This is the only option that works for Simultaneous Interpreting
  - b. The microphone icon in the bottom left corner is for muting and unmuting
2. **Dial in** provides 5 numbers to dial to connect to Zoom.
3. **Call me** allows you to add a personal phone number and Zoom will connect audio through a call.

 The microphone icon in the bottom left corner is for muting and unmuting or press \*6 on your device.
