

MINNESOTA JUDICIAL BRANCH

HENNEPIN COUNTY MENTAL HEALTH COURT FACT SHEET

PROGRAM MISSION:

The mission of Hennepin County Criminal Mental Health Court is to address the unmet mental health needs of defendants and to increase public safety through a specialized program that involves intensive supervision by probation, referral and case management services provided by the Criminal Mental Health Court Team and community agencies, frequent appearances before the Criminal Mental Health Court Judge, mandatory chemical health and/or mental health treatment, regular attendance at support groups, and frequent random drug testing.

PROGRAM GOALS

PARTICIPANT FEEDBACK

81% of participants surveyed agree they would recommend Mental Health Court to a friend in a similar situation.[†]

"I wouldn't be where I am without Mental Health Court."
 "I appreciate its services and what it's done for me."
 "I am really appreciative of everyone here."
