

Minnesota Judicial Branch **STRATEGIC PLAN** *shared values • shared priorities • shared purpose*

In August 2022, the Minnesota Judicial Council approved the first ever long-range strategic plan, the Minnesota Judicial Branch Roadmap. The plan includes five statements to drive the Branch's strategic plans, projects, and priorities in the coming decade and recognizes this work to be done through a focus on the oneCourtMN vision. The plan will be reviewed regularly used to direct planning efforts for each biennial Strategic Plan.
