**ORDER ESTABLISHING PUBLIC COMMENT PERIOD
ON MINNESOTA RULES OF JUVENILE DELINQUENCY PROCEDURE**

On July 28, 2022, we directed the Minnesota Supreme Court Advisory Committee on the Rules of Juvenile Delinquency Procedure to consider whether the Minnesota Rules of Juvenile Delinquency Procedure should be amended to create a procedural mechanism for a post-adjudication or post-certification evidentiary proceeding to develop a record for a claim of ineffective assistance of counsel, or any other appropriate claim. The committee filed its report and recommendations on October 9, 2023, recommending amendments to provide a mechanism for seeking post-disposition relief in juvenile cases. The committee's report with the proposed amendments is available on the public access site for the Minnesota Appellate Courts under case number ADM10-8003, titled Report and Proposed Amendments to the Minnesota Rules of Juvenile Delinquency Procedure (filed Oct. 9, 2023).

The court will consider the proposed amendments to the Minnesota Rules of Juvenile Delinquency Procedure after providing a period for public comment and reviewing any comments received on the proposed amendments.

Based on all of the files, records, and proceedings herein,

IT IS HEREBY ORDERED that any person or organization wishing to provide written comments in support of or in opposition to the amendments proposed to the Minnesota Rules of Juvenile Delinquency Procedure shall file those comments with the Clerk of the Appellate Courts, using the appellate courts' e-filing application, E-MACS, if required to do so. *See* Minn. R. Civ. App. P. 125.01(a). All comments shall be filed so as to be received by the Clerk's office no later than February 2, 2024.
