had they have checked Ancestry.com in 2016 they would have had less paperwork on it misappropriating funds.

And I ask again are the lawyers in the city exempted from using Ancestry.com to find legal heirs, so they can award things to anyone who comes to court, even if hundreds of millions dollars are at stake.

CASE # PR-1646 CARRER COUNTY COURT

Obituary

Regina Arnette Hill was born September 27, 1935 in Richard (she preceded her in death);

and Doris Jackson. She attended Cochrane High School of Detroit, MI in 1953

In 1959 she had her oldest son Roosevelt Jackson with Victor Thibault.

She later had two more children Rowena and Ronald Jackson.

She lived and worked in the city of Detroit for General Motors and Rydler until 2013.

Regina was known for being a wonderful mother, friend, and daughter.

Always giving, dependable, and kind-hearted. She captured many hearts,

times, and memories of everyone she met. The kind of person you could

always go to if you needed anything. She was very family oriented.

If you wanted to find someone for whatever reason you could call her.

She made friends throughout the neighborhood because of her shining personality and sense of humor.

I believe Alfred Jackson is part of Richard Jackson's family.

She leaves in her memory to cherish her mother Doris Jackson;

Three children Roosevelt, Rowena, and Roemel Jackson;

Her sisters Sharon, LaTanya, Aquin Hill and Arnetta McNeil;

Her brothers Richard Jr. and Alexander.

Along with a host of nieces and nephews.

RE: CASE No. 10-PR-1646

Prince Rogers Nelson

12-3-19

803 Walnut B2

Toledo, Oh. 43604

Dear Judge Cain,

My name is Shirley Camper but I feel like its Penelope Pitstop. But its make a long story short. Back in 1979, I was just getting out on my own, for the first time. I moved into 8333 Alpine. My landlord was Dora and Richard Jackson. They had three daughters whom befriended me while I was there. Mr. Jackson had children before his three girls, who had children who was visiting Mr. Jackson one night. I was introduced to a guy said, his name was Chris. Chris and I became friends and became intimate in December and I got pregnant and had her Sept. 2, 1980 and named her Joy Hellen A Camper.

She has been looking for her dad since <sup>she</sup> was a little girl. I thought her dad was Johnny Elder, but the Wayne County Friends of the Courts, said no.

There was only two guys. The story should be in the case file where Judge K. Eide, denied testing Prince Rogers Nelson's D.N.A. with my daughter's because I didn't say we had sex to produce his child.

Is ("he's") "Judge Eide" looking for scars or marks. Chris "Prince Rogers Nelson", had burns on his leg, the right leg and the right side of his abdomen. My baby grew up hoping for the love of her dad.

The Jackson's knew she existed back in the 90's. Aquan came to my house on Alaska looking for her and I thought it was strange that I never told her Tomika's nickname. But in 2006 and Aquan on Radcliff and told her was looking for Chris because he is a daughter. And until last year I couldn't remember. Then said she'd send word through her nephew to is "Prince", but he was already . and she avoids the question again.

Dear Mr. Metz,

My name is Shirley Camper and I'm seeking justice for the artist "Prince". and I'm asking someone to please take a look at Carver County Court case "file 10-PR-1646. In 1979 he helped me to keep a rapist out of my house at 8333 Alpine in Detroit Michigan. The landlord was Richard and Dora Jackson, parents of Richard Jackson Jr., Arnetta McNeil, Aquan, Regina and Latanya Hill. Prince was with their male family members, 2 boys.

But they told me his name was Chris. From at least Oct - Dec. he would come by my house without the Jacksons. I went to the doctor one day and found out I was pregnant. check Wayne County Mich. Friends of the Court. Camper vs Elder.

But when they found out he was still visiting me after we met at 8321 Alpine. Someone glued my poem "don't quit" on the wall and got this really big black and gray dog in the house I was renting, after they fed him good and gave him some chocolate.

When I got back the dog had used the bathroom from front to back. When I opened the door, the dog was out, I moved out that day and the lady that moved in in 1980, found my poem on the wall and got it published and I believe she is the one who cleaned up the house. Prince had 2 burns on the front right side of his body.

And Aquin Hill has known that the "Prince" had a child in 2006. She told me she would send him a message to let him know, but I don't think she ever did, because she was still feeding me the same line in 2018 after accidentally told me his name was Prince. Now she doesn't remember telling me that. I bet if she got hypnotized, that would shed a lotta light.

my daughter was born Sept. 2, 1980,  
her name is Tomika Joy H. Camper  
and she is registered with ancestry.com,  
trying to find her dad. I have asked  
Carver County Court to do the DNA test.

Because I believe they kept that  
secret as long as they could. Because  
if the "Prince" decided to register with ancestry.com  
he would have found his child was a  
girl named Tomika, who ever Aquin's  
nephews were. They spent the night at  
Aquin's house the night I met Chris  
BKA "Prince". So if you really want to  
investigate his death, you may want to  
look into his real estate and how many  
people knew he spent time at 8333  
Alpine in Detroit Mich. Help me to  
push the DNA test through court and  
find the real answers.

Thank you for your  
time

If the medicine he took had a delay effect. It would be easy to give him a spiked drink an hour before going home. he would have had another hour before the medicine started to take effect. And my guess is, he did not respond the next day.

DISTRICT COURT

COUNTY OF CARVER

FIRST JUDICIAL DISTRICT  
PROBATE DIVISION

In the Matter of:

Court File No. 10-PR-16-46

Judge Kevin W. Eide

Estate of Prince Rogers Nelson,

**ORDER REGARDING CAMPER  
REQUEST FOR GENETIC TESTING**

Decedent.

The above entitled matter came on before the Honorable Kevin W. Eide after the Court's receipt of two submissions filed by Shirley Camper on September 27, 2019. Those submissions seek genetic testing for Ms. Camper's daughter, ~~Tamika~~ Joy H. Camper, to determine whether Decedent is her daughter's father.   
Tomika

Now, based on the file and proceedings herein, the Court makes the following:

**FINDINGS OF FACT & CONCLUSIONS OF LAW**

1. Among other things, the Protocol for Genetic Testing previously ordered in this proceeding requires that a party claiming a genetic relationship to the Decedent that may give rise to heirship file an affidavit setting forth the facts that establish the reasonable possibility of the existence of such relationship.
2. Ms. Camper's submissions do not allege she had sexual contact with Decedent at any time.
3. As a result, Ms. Camper has not provided facts sufficient to establish the reasonable possibility that the Decedent is her daughter's genetic father. For example, Ms. Camper has not: (a) claimed that her daughter is the child of the Decedent due to the presumption of paternity under the Minnesota Parentage Act; (b) alleged a relationship between the Decedent and her daughter during his lifetime; or (c) provided an affidavit indicating that

she had a sexual relationship with the Decedent which resulted in her daughter's conception.

- 4. Based upon the information provided, Ms. Camper has not established a *prima facie* showing that her daughter is the child of the Decedent.

**ORDER**

- 1. Ms. Camper's daughter is not entitled to genetic testing.
- 2. Any other motions set forth in Ms. Camper's submissions filed September 27, 2019 are respectfully DENIED.

Deuteronomy 10:18

Exodus 22:22-24

Dear Fredrikson & Byron, E. Unger, J. Cassioppi

My name is Tomika J.H. Camper born Sept. 2, 1980. and I am registered with Ancestry.com, because I have been looking for my dad. I've been asking my mom who he is and she keeps insisting he is "Prince" of Purple rain, and has been saying this for a few years now. Therefore I'm requesting to have his DNA tested with me so I can finally get the truth. Because I deserve to know who my dad is. My mom said she contacted your firm and was denied. So I am requesting a copy of said results in a timely manner as years have passed and I have not gotten any results.

My children deserve to know who he is also. My mom is Shirley Camper

My mom said she met him through the Jackson and Hill family introduce himself as Chris and that between September of 1979 and March of 1980, he was doing his music off Jefferson on East Detroit in Michigan. Also like it was told to me, he was connected to Richard Jackson's family, and that is how she met him while she was staying at 8333 Alpine ran by Dora Hill of Detroit Council<sup>City</sup>. Therefore if he is my dad I believe everything he owned on the day of April 21, 2016 when he died should be respectfully given to me personally as he legal heir.

Thank you for your time.

She never went to his shows, but insist he had burns on the front of his body if that helps.

Dear Judge Eide,

My name is Shirley Camper  
mother of Tomika J.H. Camper  
who is the daughter of the late  
Prince Rogers Nelson. Which can  
easily be confirmed by comparing  
Prince's DNA with Ancestry.com.

My question to you Sir. if  
you are supposed to uphold  
justice, why are you standing  
in the way of the truth coming  
out. I'm not gonna stop till  
justice and the truth reign in  
your court room over this matter.

Denying my daughter knowledge  
of her dad, is like saying she  
don't exist because her dad is  
famous.

Therefore I am expecting the Carver County Court, to make sure justice is done correctly and acknowledge that Prince has a living child that can be verified by searching Ancestry.com.

I'm trying to keep the court from making a huge mistake, that my daughter shouldn't have to pay for. Can you pay for Fredrikson and Byron's mistake. Because if I am gonna need a lawyer. My financial situation will make me need to reverse some charges, who's prepared to pay my legal fees that will still come out the same. Prince R. Nelson, HAS A Living daughter. Born Sept. 2 1980 registered with Ancestry.com.

I am going to ask for a full investigation as this affects me greatly.

Thank you for your Time

Dear Judge Eide,

My name is Shirley Camper and I would like to Appeal, your Sept. 30, 2019 order to deny my daughter the DNA test to find out that her children's grandfather is none other than Prince Rogers Nelson. My daughter has been looking too long for her dad. Her name is Tomika Joy H. Camper, born Sept. 2, 1980. Judge your Honor, all she want is the truth and it is in your hands.

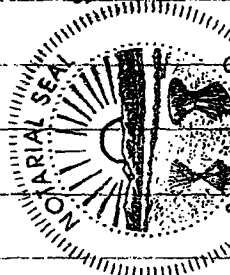

Judge, if you have a child then you should know that I love all 6 of mine, plus 15 grand and at least 18 great grand that I am trying hard to teach them to believe in the system.

that there is still honesty and justice as well as the defenders of truth in this great land of America.

I have been calling Mr. Mark Greiner and his law firm for weeks, before a lady finally answers and threatened me not to contact her firm again. But in all fairness I offered to pay for the test. After all, aren't they in charge of proving who Prince Rogers Nelson's child is.

If all ya'll want to read is that Prince and I had sex. Then, in 1979 Prince and I had sex at 8333 Alpine in the month of December and I got pregnant and had our child, Tomika Joy Hellena Camper on Sept. 2nd 1980. Her DNA is registered with ancestry.com and I am requesting a copy of said test to confirm that Prince Rogers Nelson's legal heir is Tomika S.H. Camper.

ESTATE

Dear Judge Cain,

I haven't heard anything about the case as of yet.

So I'm sending proof of the people who introduced Prince to me, on Alpine in Detroit Michigan. They still avoid my questions and pretend they don't remember. But Latanya and Aquin Hill, I went to their sister Regina's funeral and found this. They say they don't remember Arnetta McNeil or Richard Jr. or their children. Here is proof they are indeed related. I was told someone is going to honor Prince again and I believe his daughter should be a part of it.

Therefore to further prove my case I am sending part of this obituary as proof that the connection is real and Prince deserves better from the people he has served all these years. So I'm hoping as a parent, someone can see the pain this is causing.

So I'm pleading to the court to make things right. She will never feel the warmth of her daddy's arms. But please give her the answer she needs to repair her heart, cause it hurts and I know it does.

My oldest daughter remember him taking her to the baby-sitter. But the Hills don't remember their family members.  
PLEASE Help.

Her "Jomika" DNA is registered with ancestry.com. She's been hurting a long time. Please your Honor, please grant the DNA testing of Prince Rogers Nelson and Jomika J. H. Camper as father and child. She has been looking for her dad since <sup>she</sup> was a little girl. I thought her dad was Johnny Elder, but the Wayne County Friends of the Courts, said no.

There was only two guys. The story should be in the case file where Judge K. Eide, denied testing Prince Rogers Nelson's DNA with my daughter's because I didn't say we had sex to produce his child.

If ("he's") "Judge Eide" looking for scars or marks. Chris "Prince Rogers Nelson", had burns on his leg, the right leg and the right side of his abdomen. My baby grew up hoping for the love of her dad.

The Jackson's knew she existed back in the 90's. Aquan came to my house on Alaska looking for her and I thought it was strange that I never told her Tomika's nickname. But in 2006 I found Aquan on Radcliff and told her I was looking for Chris because he has a daughter. And until last year she couldn't remember. Then said she would send word through her nephew to Chris "Prince", but he was already dead. and she avoids the question again.

Court File No. 10-PR-16-46

Dear Ms. Camper:

Per our phone call this morning, I am enclosing the Court's Order denying your request for DNA testing. We respectfully request that you do not contact our office regarding DNA testing again.

Thank you.

Sincerely,

There is a GAG order on this one

had they have checked Ancestry.com in 2016 they would have had less Paperwork on it misappropriating funds.

EAU/js  
Enclosure

68353531 v1

And I ask again Are the lawyers in the City exempted from using Ancestry.com to find legal heirs, so they can award things to anyone who comes to court, even if hundreds of millions dollars are at stake.

CASE # PR-1646 CARVER COUNTY COURT

Obituary

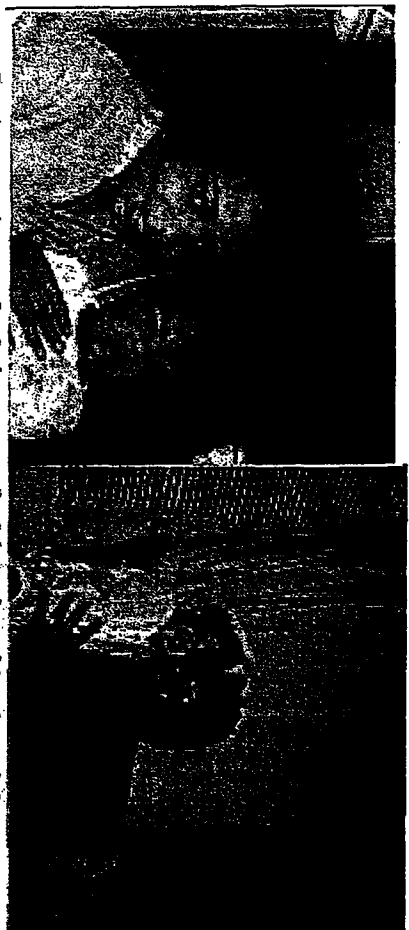

Regina Arnette Hill was born September 27, 1936 to Richard (who predeceased her in death),

and Doris Jackson. She attended Cody High School of Detroit, MI in 1953

In 1979 she had her oldest son Rockwell Jackson with Victor Whitaker.

She later had two more children Rowena and Roemel Jackson.

She lived and worked in the city of Detroit for General Motors and Regal until 2011.

Regina was known for being a wonderful mother, friend, and daughter.

Always giving, dependable, and kind-hearted. She captured many hearts,

times, and memories of everyone she met. The kind of person you could

always go to if you needed anything. She was very family oriented.

If you wanted to find someone for whatever reason you could call her.

She made friends throughout the neighborhood because of her shining personality and sense of humor.

I believe Alfred Jackson is part of Richard Jackson's family

She leaves in her memory to cherish her mother Doris Jackson;

Three children Rockwell, Rowena, and Roemel Jackson;

Her sisters Sharon, Latanya, Aquin Hill and Arnette McNeil;

Her brothers Richard Jr. and Alexander.

Along with a host of nieces and nephews.

The Lord is my shepherd I shall not want

He made me to lie down in the green pastures: he led me by the still waters.

He refreshed my soul: he kept me in the paths of righteousness for his name's sake.

Yea, though I walk through the valley of the shadow of death, I will fear not

to those at with me

My soul and my heart say comfort me

Psalms 23:1-4
