

Minnesota Judicial Branch **STRATEGIC PLAN** *shared values • shared priorities • shared purpose*

FY24-25 Minnesota Judicial Branch Strategic Plan

Access to Justice

A justice system that is open, understandable, and provides appropriate levels of service to all.

- 1A:** Promote transformation and simplification of the civil justice system for self-represented litigants through implementation of the Self Represented Litigant Strategic Plan.
- 1B:** Improve the hearing experience through piloting, evaluating, and recommending changes in alignment with the oneCourtMN vision, and with ongoing engagement with court customers, judicial officers, and employees.
- 1C:** Prioritize equitable access to treatment courts in every county in Minnesota.

Effective Administration of Justice

A justice system that provides for the fair and just resolution of all cases.

- 2A:** Improve workplace wellness by providing proactive and responsive educational and growth opportunities for every judicial officer and employee.
- 2B:** Modernize technology infrastructure and internal practices to support all operations.

Public Trust & Accountability

A justice system that enhances public trust and confidence through impartial decision-making and accountable use of public resources.

- 3A:** Eliminate disparities in the court system by promoting diversity, equity, and inclusion as an organizational value.
- 3B:** Strategize how to address the impact of changing demographics in Minnesota.
- 3C:** Engage with our court partners, litigants, and communities to ensure our actions are inclusive of the Minnesota Judicial Branch's diverse customers and their needs.
