About this Document

This document is available in SharePoint:

<https://teams2.courts.state.mn.us/SCA/mjbcollab/camper/default.aspx> and provides instructions to administrators on how to perform administrator functions in the Conservator Account Filing system.

Logging In

1. Open the Web page by using the link provided to you with your login:
<http://conservatorship.courts.state.mn.us/RamseyProbate/Admin/Login/>
2. The following web page will display. Type your username and password in the appropriate fields and click **Login**.

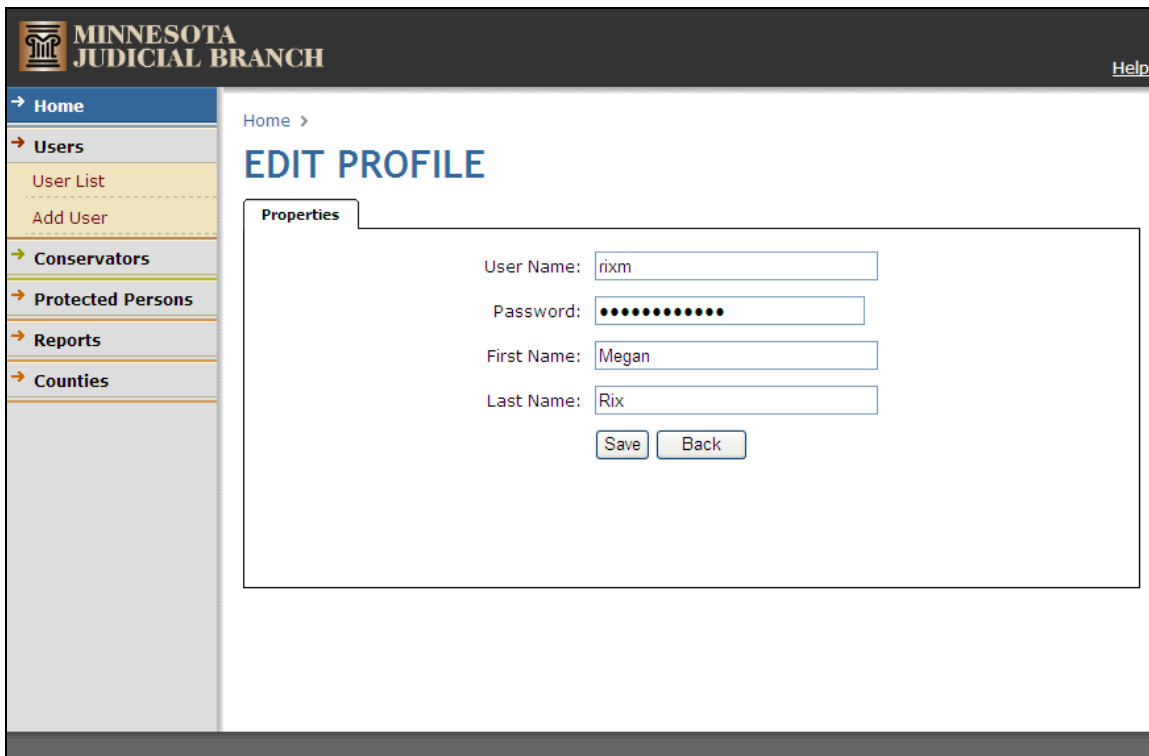

The screenshot shows the login interface for the Minnesota Judicial Branch. At the top left is the Minnesota Judicial Branch logo. Below the logo is a breadcrumb trail: "Home > For Court Users >". The main heading is "Conservator Application - Administrative Login". Below the heading is a paragraph: "Use the login form below to access the probate court conservatorship system administration. Access to this application is restricted to authorized personnel only." The login form consists of two text input fields: "User Name:" and "Password:". Below the "Password:" field is a "Login" button. At the bottom left of the form area is a link labeled "Conservator Login".

Update an Administrator's Profile

After logging in, the Administration Home page appears. Under System Administration, click **Edit My Profile** to update address and telephone information, and change your password if necessary.

Change any necessary contact information and click **Save**. If there are no changes, click **Back** to return to the Administration Home page.

Manage Existing Users

From the Administration Home page, under System Administration, click **Manage Existing Users**.

Deleting a User Account

To delete a user and prevent them from accessing the application, click **Delete**. A warning message appears indicating that this action cannot be undone. To continue, click **OK**. (Delete rights are not available to all court users.)

Add a New User Account

Court users can be added only by persons with Administrator rights.

1. User Names are entered in the following format: last name first initial, for example "smithj" for John Smith.
2. Enter a simple password the user can remember. Court users have the ability to change their own password from the My Profile page in the application. If the court user forgets their password, an Administrator can assign a new password.
3. Check the Administrator Checkbox to assign Administrator rights.
4. Check the Delete Privileges Checkbox to assign rights to delete Users, Conservators, Protected Persons, Reports, and Counties.
5. Click the county for which the court user will have rights to process reports. To select multiple counties, hold the CTRL key and click each applicable county.
6. Click **Add User**.

Deleting a County

A county may only be deleted if there are no Administrator users, conservator users, or conservatees associated with the county. If anyone is affiliated with the county in these capacities, the error message shown below will appear.

1. To delete a county, from the County List page, under Action, click **Delete**.
2. A warning message will appear. To continue, click **OK**.

[Home](#) > [System Administration](#) > [County List](#) >

COUNTY LIST

Click the Edit link for a user to manage that county. Click the Delete link to remove a county.

This county cannot be deleted because user(s) and/or conservatee(s) are associated with the county.

Managing a Protected Person

Editing a Protected Person's Information

The Manage Protected Person page can be accessed from the Reports List page by clicking on a Protected Person's name or by clicking **Protected Person** from the navigation menu.

1. From the Properties tab, change any information as necessary.
2. Click **Update**. Fields with an asterisk are required in order to save.

NOTE: The Beginning Balance field is to be used **ONLY** for the purpose of conversion to electronic filing in cases where the conservator filed previous paper accounts. Enter the ending balance from the last filed paper report as the Beginning Balance on this screen. This amount will then appear on the conservator's initial e-filed account.
