In Re: Estate of:

Court File No. 10-PR-16-46

Prince Rogers Nelson,

Deceased.

**ORDER IDENTIFYING
ALTERNATE TESTING
FACILITY**

The above-entitled matter involves DNA testing to determine heirship claims. In one circumstance to date, a party is requesting a second, or alternate, test. In order to ensure such testing is completed as expeditiously as possible, the Court previously ordered counsel for Carlin Q. Williams to identify a desired alternate DNA testing facility by August 31, 2016, otherwise the Court would select and identify the facility by separate order. Now, based upon the file and record therein, the Court makes the following:

ORDER

1. LabCorp shall be used to provide alternate, or secondary, DNA testing in this matter. Mr. Williams or his counsel may contact staff attorney Yvonne Shirk at Yvonne.shirk@courts.state.mn.us to obtain the contact information at LabCorp.
2. If Mr. Williams requests an alternate or second DNA test through LabCorp, the Special Administrator shall coordinate with LabCorp to arrange for their receipt of Decedent's DNA sample.
3. Mr. Williams shall undergo testing through LabCorp no later than September 21, 2016.
4. If Mr. Williams does not undergo testing through LabCorp by September 21, 2016, he shall be excluded as an heir of this Estate.

Date: September 1, 2016
