

STATE OF MINNESOTA
IN SUPREME COURT
ADM10-8049

**ORDER SCHEDULING PUBLIC HEARING
ON PROPOSED AMENDMENTS TO THE
RULES OF CRIMINAL PROCEDURE**

The Supreme Court Advisory Committee for the Minnesota Rules of Criminal Procedure recommends amendments to Minn. R. Crim. P. 11.10, 12.08, and 26.03, subd. 16, to clarify that a transcript of audio or video evidence cannot be required as a prerequisite to the admissibility of that evidence. The committee also recommends an amendment to Minn. R. Crim. P. 28.02, subd. 9, to address a court reporter's responsibilities with respect to the transcription of audio or video evidence. We opened a public comment period for these recommended amendments on April 25, 2019, which closed on June 25, 2019, with four written comments filed. After review of the written comments, we have decided that a public hearing will assist the court's consideration of and decision on the recommended amendments to the rules.

Based on all the files, records, and proceedings herein,

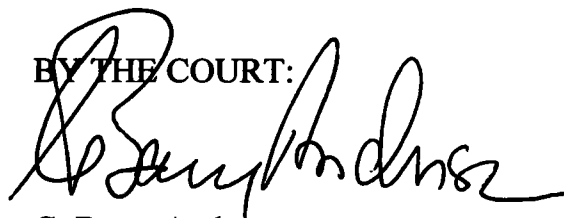

IT IS HEREBY ORDERED that a hearing will be held before this court to consider the proposed amendments to the Rules of Criminal Procedure. The hearing will be held on September 25, 2019, in the Supreme Court Courtroom, State Capitol, Saint Paul, Minnesota, at 10:00 a.m. The chair of the Supreme Court Advisory Committee for the

Minnesota Rules of Criminal Procedure, or the chair's designee, is invited to present the committee's recommendations.

IT IS FURTHER ORDERED that any person or organization that filed a written comment during the public comment period who wants to make an oral presentation at the public hearing shall file a notice with the Clerk of the Appellate Courts confirming that appearance. All such notices shall be filed so as to be received by the Clerk on or before September 6, 2019.
