**Re: In re the Estate of Prince Rogers Nelson  
Court File No. 10-PR-16-46**

Dear Judge Solum:

Sharon, Norrine, and John (SNJ) file this response jointly and we stand firm on our opposition of the fee submissions of Cozen O'Connor and Bruntjen. We feel that the compensation sought is excessive given the amount of work completed which did not benefit the estate and did nothing more than escalate unnecessary fees and contribute to division amongst the heirs.

Respectfully submitted,

Norrine Nelson Pro Se
