COUNTY OF CARVER

DISTRICT COURT
FIRST JUDICIAL DISTRICT

In Court File No.: 10-PR-16-46

In Re:

Estate of Prince Rogers Nelson,
Decedent.

**ALFRED JACKSON'S OBJECTION TO BREMER
TRUST'S REQUEST TO APPROVE ATTORNEYS
FEES AND COSTS IN RELATION TO
DISCHARGE OF BREMER TRUST**

Alfred Jackson submits this objection in response to Bremer Trust's ("Bremer") Request To Approve Attorney's Fees and Costs in Relation to Discharge of Bremer Trust. On July 5, 2018 Bremer submitted a request for the Estate to pay attorney fees and costs owed to Stinson Leonard Street, LLP ("Stinson") and Maslon LLP ("Maslon").

Mr. Jackson now asks this court to deny Bremer's request for payment of any attorney fees submitted in their July 5, 2018 filing. Bremer incurred these fees after their tenure as Special Administrator was terminated. The fees and costs that Bremer now asks the Estate to pay for were not billed for any activity that was for benefit or best interest of the Estate but instead the fees are for work done by Bremer, Stinson, and Maslon to defend themselves for actions Bremer and Stinson took during Bremer's time as Special Administrator of the Estate. These services were clearly not performed for the benefit of the Estate but instead for the benefit of Bremer and their legal counsel protecting themselves for their prior actions involving the Estate.

Further, on August 18, 2017 appointed a Second Special Administrator (SSA) and expanded the scope of their appointment on February 2nd 2018. Peter Gleekel and Larson King, LLP were hired to fill this role. The SSA returned with reports on December 15, 2017 and May

15, 2018. The reports indicated that The Estate has significant potential liability claims against multiple parties including Stinson. On June 14, 2018 this court authorized the SSA to pursue, on behalf of the Estate, all claims identified in the SSA's two reports. With potential outstanding claims against Stinson it wouldn't be prudent to pay any fees they have incurred without the opportunity to fully vet their authenticity.

Respectfully Submitted,
