RE: Minnesota Statutes 626A.42, subd. 5:
Report to Legislature by State Court Administrator

DATE: November 24, 2014

Minnesota Statute §626A.42, subd. 5 requires the State Court Administrator to provide to the Legislature a report concerning (1) all tracking warrants authorizing the collection of location information during the two previous calendar years; and (2) all applications that were denied during the two previous calendar years. This report is to be filed every even numbered year.

There were no tracking warrants requested or authorized during 2012 or 2013 because the law establishing tracking warrants was enacted effective August 1, 2014.
