Case Type: Special Administration

Court File No. 10-PR-16-46

In the Matter of:

Estate of Prince Rogers Nelson,

Decedent.

**ORDER FOR CLARIFICATION OF LIEN
REQUEST**

On August 4, 2021 White Wiggins & Barnes, LLP (“WWB”) filed a Notice of Application for Determination and Establishment of Attorney’s Lien and Entry of Judgment of Attorney’s Lien (“Application”). The Application seeks an attorneys’ lien in the amount of \$177,176.32 in favor of WWB against the interest of the Estate of Alfred Jackson for services rendered on behalf of Alfred Jackson in connection with these proceedings from October 2, 2018 through February 7, 2019.

On August 9, 2021 Attorney Eric Magnuson filed a letter with the Court on behalf of his client, Primary Wave, pointing out that the Estate of Alfred Jackson sold its interest in this estate to Primary Wave well before WWB asserted its lien claim, and alleging the WWB claim was previously rejected by the Missouri court overseeing the Jackson estate matter.

Because the Estate of Alfred Jackson no longer has an interest in the Estate of Prince Rogers Nelson, it is appropriate that before scheduling any hearings or further proceedings on the Application, WWB clarify what interest they believe may be attached by their requested lien and who are the proper responding parties.

Therefore, the Court makes the following:

ORDER

1. By December 8, 2021, White Wiggins & Barnes, LLP shall file a letter with the Court clarifying what interest they believe may be attached by their requested lien and who are the proper responding parties.

2. If White Wiggins & Barnes, LLP fails to file the letter as ordered above, the Application shall be dismissed.

BY THE COURT:

Dated: November 18, 2021
