Examiner Resource Application (ERA) for Institutions

Use these quick links to access the institution profile, the examiner list, work requests, invoices, and ERA coordinator lists.

Click here to view invoices that require an institution's attention.

Click here to view tentative work requests.

View active work requests.

View work requests assigned today. Click each work request to expand and review details.

Use the account dropdown to review or edit your institution profile, view notifications, change login settings passwords), and logout.

View Pending Invoices. Click each invoice to expand and review details.

Work requests with no activity within the last 65 days appear here. Note: an institution's status will automatically be deactivated after 91 days of no work request activity.
