The screenshot shows the 'User Settings' page in the C-TRACK CMS. The page is titled 'C-TRACK CMS' and shows the user 'April Turitto, Court of Appeals'. The settings are organized into sections: GLOBAL DETAILS, COURT DETAILS, and USER PREFERENCES. The GLOBAL DETAILS section includes fields for Username (TurittoA), Name (April Turitto), and Default Court* (Court of Appeals). The COURT DETAILS section includes a field for Court of Appeals Email* (april.turitto@courts.state.mn.us). The USER PREFERENCES section includes a field for Default Case Search Type. At the bottom, there is a table for AUTHORIZED APPLICATIONS, which is currently empty. Callouts provide instructions: 'Click to change which court you automatically log in to.' points to the Default Court dropdown; 'Click to change your password.' points to the Change Password button; 'You may choose to use different email addresses for each court you work with.' points to the Court of Appeals Email field; and 'Click to save any changes.' points to the Save button.
