

Creating an E-MACS Account

Prepare to register

Review [E-MACS Frequently Asked Questions Guide](#). It contains information to complete the registration quiz.

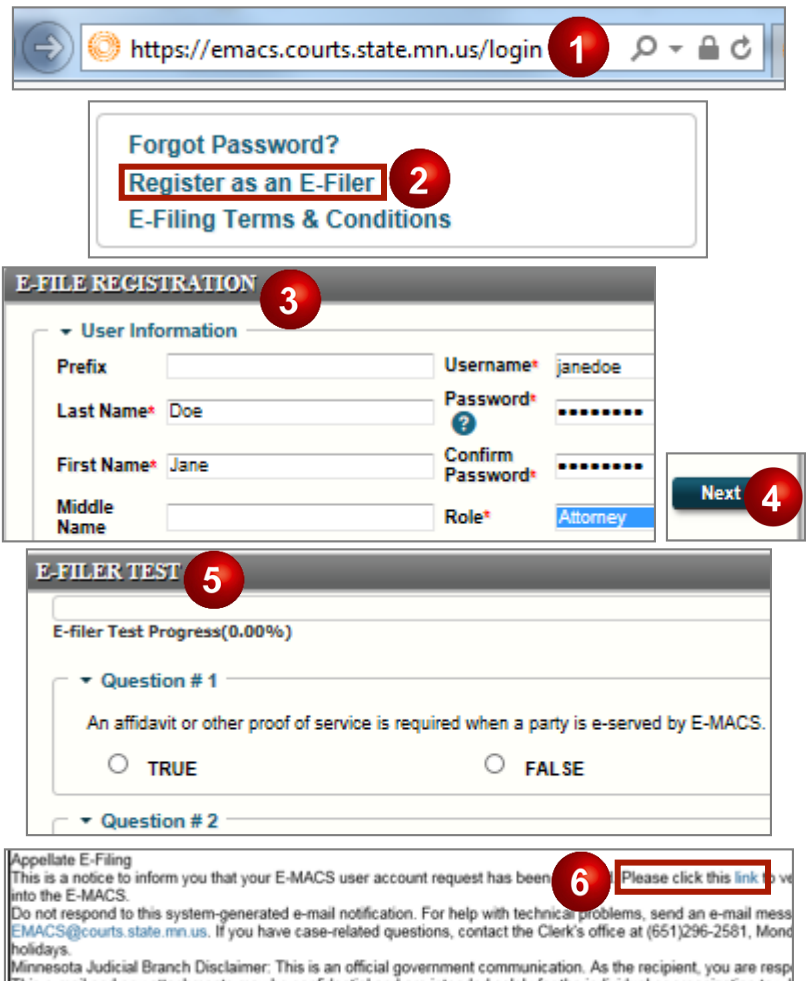

Create an account

1. Go to <https://emacs.courts.state.mn.us/login>.
2. Click **Register as an E-Filer**.
3. Complete the **E-FILE REGISTRATION** page. When selecting a role:
 - DO NOT USE Clerk of Appellate Courts.
 - Attorney support staff should use the attorney's account, not a new one.
 - An attorney with a suspended license, filing in the disciplinary case, must create a Self-Represented Party account.
 - Use Agency only if you are a records manager for a government agency filing an agency record on appeal.
 - If unsure about your role, call the clerk's office.
4. Click **Next**.
5. Complete the **E-Filer Test**. The test is ten questions and requires a score of 80% or higher to pass.

Take the test as many times as you need. If unable to complete the test, call the clerk's office at 651-291-5297.

6. Within 24 hours, open the **confirmation email** and click the **verification link**. Attorneys can E-File right away. All other filers will receive an email from the clerk's office upon approval of the account.
