**OFFICE OF  
APPELLATE COURTS**

STATE OF MINNESOTA

IN SUPREME COURT

ADM10-8049

**ORDER ESTABLISHING PUBLIC COMMENT PERIOD  
ON PROPOSED AMENDMENTS TO THE MINNESOTA RULES OF  
CRIMINAL PROCEDURE**

On October 4, 2023, we directed the Minnesota Supreme Court Advisory Committee on the Rules of Criminal Procedure to review whether the criminal rules should be amended to address the impact and potential consequences of the State’s failure to file a respondent’s brief in cases pending before the court of appeals, particularly when the defendant raises an issue where the State has the burden of persuasion on appeal. In a February 28, 2024 order, we also directed the committee to consider whether to amend Minn. R. Crim. P. 22.03 to provide a process for litigants to file a motion for corrected sentence under the rule before the matter is taken on appeal and would require litigants to do so. The committee’s report with the proposed amendments is available on the public access site for the Minnesota Appellate Courts, under case number ADM10-8049—*Report and Proposed Amendments to the Minnesota Rules of Criminal Procedure* (filed Oct. 1, 2024).

The court will consider the proposed amendments to the Minnesota Rules of Criminal Procedure after providing a period for public comment and reviewing any comments received on the proposed amendments.

IT IS HEREBY ORDERED that any person or organization wishing to provide written comments in support of or in opposition to the amendments proposed to the Minnesota Rules of Criminal Procedure must file those comments with the Clerk of the Appellate Courts consistent with the filing requirements of Minn. R. Civ. App. P. 125.01(a). All comments must be filed so as to be received by the Clerk's office no later than Friday, December 20, 2024.
