FIRST JUDICIAL DISTRICT
PROBATE DIVISION

Case Type: Special Administration

Court File No. 10-PR-16-46

In the Matter of:

Estate of Prince Rogers Nelson,

Decedent.

**SECOND ORDER FOR SUBMISSIONS
REGARDING MOTIONS FOR
ATTORNEY FEES**

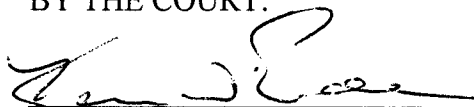

The above entitled matter came on before the Court on January 13, 2017 without a hearing upon the Court's review of Gray Plant Mooty's Motion for Clarification filed January 11, 2017. The Court previously issued an Order for Submissions Regarding Motions for Attorney Fees in connection with motions for attorney fees filed by Holland & Knight, LLP; and Lommen Abdo, P.A. Unbeknownst to the Court, at the time of its Order for Submissions, Gray Plant Mooty had similar motions pending which had been served on the parties but were rejected from the Court's Electronic Filing System pending re-submission. Though the Gray Plant Mooty motions were not referenced in the Court's prior Order for Submissions some responsive memoranda have included responses to the Gray Plant Mooty motions. Gray Plant Mooty now seeks clarification on when the Court will rule on its motion, and subject to what process.

Therefore, the Court makes the following:

ORDER

1. Any additional responsive memoranda or objections to the Gray Plant Mooty Motions for Fees shall be filed by January 27, 2017. No oral arguments shall be held.
2. The motions will be taken under advisement based upon the written record as of January 27, 2017.

Judge of District Court
