QA Accessibility Tester SOW Q&A

I had a few queries regarding the subject-mentioned RFP:

1. **Could you please let me know the number of slots available for submissions.**
2. **Could you please let me know the duration of the contract.**
3. **Will interviews be in-person/virtual?**

We will be filling 1 position.

The duration of the contract is through June 2025 with the possibility of extension.

The interviews will be virtual, but they must be within the continental United States.

How many resumes can we submit?

There are no limits to the number of resume's you submit.

The following RFPs are on the Courts website:

Service Category: Application Configuration and Support
Project Title: Oracle HCM Post-Production Optimization

Service Category: QA Accessibility Tester
Project Title: QA staff augmentation

The requests note:
Only vendors that have been selected as a Master Service Agreements vendor with the State following submission of a proposal to the Master Service Agreements for IT Technical/Infrastructure Services & IT Application/Development and Support Services Request for Proposal, and have an approved Master Service Contract with the State for the service category requested herein, may submit a response to this Statement of Work and be considered for a Work Order Contract to provide the services described herein.

We have a Master Service Agreement with the State of MN MNSite and MN Swift programs. Are we eligible to respond to these two RFPs?

You must have a Master Services Agreement with the State of MN Judicial Branch to be eligible to submit a response to these SOW's.
