

STATE OF MINNESOTA
COUNTY OF CARVER

DISTRICT COURT
FIRST JUDICIAL DISTRICT
PROBATE DIVISION

In Re: Estate of:

Court File No. 10-PR-16-46

Prince Rogers Nelson,

ORDER FOR
FIFTH VOLUME OF CASE

Deceased.

The above-entitled matter came on for review before the Honorable Kevin W. Eide without a hearing. The case record in this matter continues to grow due to the number of filings, case events, and electronic service instances. As the case record grows, the parties and public may experience longer wait times when accessing the case record electronically through Minnesota Public Access (“MPA”). Creating a fifth volume of the case for day-forward filings and case events will assist with public access and court staff case processing.

Therefore, based on the file and proceedings herein, the Court makes the following:

ORDER

1. Effective September 5, 2017, a fifth case volume will be added in this matter. This new case volume will be assigned the same court file number of 10-PR-16-46. The new case volume will include the case record, including all filings, case events and financial information, beginning September 5, 2017.

2. Effective September 5, 2017, the fourth case volume in this matter will be renumbered to 10-PR-16-46D. The fourth case volume will contain the case record, including all case events, filings and financial information, from April 21, 2017, through September 5, 2017.

3. The third case volume, numbered 10-PR-16-46C, will remain and will keep the same number. This volume contains the case record, including all case events, filings and financial information, from February 2, 2017, through April 20, 2017, pursuant to the court order entered April 12, 2017.

4. The second case volume, numbered 10-PR-16-46B, will remain and will keep the same number. This volume contains the case record, including all case events, filings and financial information, from October 10, 2016, through February 1, 2017, pursuant to the court order entered January 26, 2017.

5. The first case volume, numbered 10-PR-16-46A, will also remain and will keep the same number. This volume contains the case record, including all case events, filings and financial information, from the date of filing through October 9, 2016, pursuant to the court order entered October 4, 2016.

6. Filers will continue to use court file number 10-PR-16-46 for filing and serving in this matter.

7. All five case volumes together are the official district court record in this matter. The same case status and case security applies to all volumes.
