#### DISTRICT COURT

FIRST JUDICIAL DISTRICT PROBATE DIVISION

Court File No. 10-PR-16-46 Judge Kevin W. Eide

## DECLARATION OF ANGELA W. AYCOCK REGARDING COMERICA'S FEES AND COSTS FROM JUNE 2017 THROUGH SEPTEMBER 2017

I, Angela W. Aycock, declare and state as follows:

1. I am a Trust and Estate Officer at Comerica Bank & Trust, N.A. ("Comerica"). Along with Andrea L. Bruce—who is Vice President and Manager of Comerica's Unique Assets Department—I lead and manage Comerica's administration of the estate (the "Estate") of Prince Rogers Nelson (the "Decedent").

2. I joined Comerica in 1999 and have spent the last 18 years administering increasingly complicated estates in Comerica's estate settlement department. I have administered over four hundred estates, focusing on complex and high value estates. Prior to my assignment to the Prince Rogers Nelson Estate, I was consistently responsible for a book of forty-five estates in varying stages of administration. Ms. Bruce's career with Comerica began in 1994 and since 1997 she has provided oversight and management of closely held and other complex assets in trust and estate accounts. In managing Comerica's Trust Unique Assets Department, Ms. Bruce is responsible for the oversight of approximately six hundred million dollars in closely held assets and five hundred million dollars in real estate assets under management.

3. Based on the unique nature of this Estate and the extraordinary time and expertise that is involved in administering the Estate, Comerica is charging the Estate a flat fee of \$125,000 per month for the first year of our engagement (plus expenses). Fees for subsequent years will be based on factors including the then complexities of outstanding issues and activities required of the Personal Representative.

4. Pursuant to the Court's March 22, 2017 Order, Comerica has received compensation for its services in the amount of \$125,000 per month for June, July, August, and September 2017, for a total of \$500,000. Comerica has also received expense reimbursement for June 2017 totaling \$10,540.80, July 2017 totaling \$10,287.07, August 2017 totaling \$11,780.86, and September 2017 totaling \$6,169.04, for a total of \$38,777.77. Comerica also incurred \$1,682.00 in wire transfer fees. Attached hereto as Exhibit A is a schedule with details on Comerica's compensation and expense reimbursements from June 2017 through September 2017.

5. Comerica has devoted substantial resources to administering this extraordinary Estate. Both Ms. Bruce and I are working on this matter on a full-time basis. Since June 2017, Ms. Bruce and I have each devoted between 35 and 80 hours each week administering the Estate. Multiple other Comerica officers and employees have also devoted substantial time to administering the Estate, including Gerard Snover (who has been managing the real property held by the Estate), Patrick Davis (who has directed the inventory of audio and visual assets at Paisley Park), Linda Joiner (who has been handling the Estate's transactional matters), Brian Wolfe (who serves as the Manager of Comerica's Estate Administration Department and has assigned and overseen a staff of four additional Comerica employees to the Paisley Park inventory project), Susan Nystrom (who has monitored litigation involving the Estate), Adam Lowen (who is Comerica's estate tax specialist and who has extensively reviewed the estate tax return prior to filing), and Jennifer

2

Raczak (who serves as a Closely Held Business Analyst and has assisted with monitoring and analyzing financial statements and performance, gathering and reviewing royalty statements, assisting with trademark analysis and filings and organizing digitization efforts of over 500 file boxes of documents).
