State of Minnesota,

Vs. Plaintiff,

**ORDER ALLOWING ACCESS TO A
SQUAD CAR BY DEFENSE**

Mohamed Mohamed Noor,

Defendant

Court File No.: 27-CR-18-6859

Defendant Mohamed Noor, by and through his attorneys, has moved this Court for an order directing the City of Minneapolis to allow the Defense access to a squad to allow the defense to independently gather information, make measurements, and allow testing and analysis (hereinafter "Inspection"). The Court is informed that Deputy Minneapolis City Attorney Erik E. Nilsson has been consulted and does not object to making a squad car available for Inspection upon the following conditions:

1. No destructive testing will be conducted upon the MPD squad car;
2. The MPD will select appropriate representatives to assist in providing access to the squad car, at their discretion. Only MPD representatives may drive the squad car.
3. The Defense will not interview, question, or otherwise seek information from the MPD representatives in attendance at the Inspection.
4. The Defense agrees that they will be responsible for any damages or liability caused by or resulting from the actions of their agents, employees, or counsel in the course of their Inspection, including, but not limited to, personal injury and property damage.

IT IS NOW ordered that the City of Minneapolis shall allow the defense access to a squad car to perform an Inspection on December 28, 2018 pursuant to conditions 1 through 4

Exhibit A State v. Noor 27-cr-18-6859

above. The squad will be available for Inspection in the area of Minneapolis Police Department's 5th Precinct between the hours of 6:00 PM and 11:00 PM on December 28, 2018.
