**Re: *Minnesota Voters Alliance, et al. v. Timothy Walz, et al.* (No. A25-0017)
Supplemental Fact Development Related to Subject-Matter of the Case**

Dear Ms. Rutherford-Block:

We write to provide the Court with a fact development from the proceedings of the Minnesota House of Representatives today, January 14, 2025, related to the subject-matter of this case.

We were not able to find a filing event on E-MACS for a supplemental affidavit, so we are attaching an affidavit with an exhibit thereto to this notice of supplemental authority, as that seemed the closest event.

This affidavit explains the exhibit, which is a copy of a resolution related to the establishment of a vacancy for House District 40B on January 14, 2025. The timing of a vacancy in that seat is argued throughout our Amended Petition and Reply Brief.

Very truly yours,
