Standing Order Regarding Booking Inmates Who Refuse

Order

1. When a person is arrested and brought to the Hennepin County Public Safety Facility for booking and that person intentionally refuses to voluntarily complete the booking process for more than 24 hours, this Order allows the Hennepin County Sheriff's Office to complete the booking process.
2. This Order shall be shown to and translated as necessary for the person refusing booking before force is used. If the person continues to refuse the booking process, a sergeant may oversee booking using the amount of force reasonably necessary to complete the booking process.
