

Eviction Moratorium Phaseout

[2021 Minnesota Session Laws, 1st Special Session, chapter 8](#), article 5, established a 105-day off-ramp for the eviction moratorium. This is general information only. For advice on what you should do in your situation, [talk to a lawyer](#).

(1) A new 15-day notice requirement applies and, in some situations, a 30-day notice to vacate may also be required under section 4024(c) of the CARES Act, which applies to tenants in specified federally backed housing (e.g., federally subsidized housing, rural voucher-program housing, and housing financed through federally backed mortgages).
