

2025 STATE PAYABLES LIST

NATURAL RESOURCES VIOLATIONS

Policies:

A. All petty misdemeanor offenses in violation of statute or administrative rule are payable. The fine amount for all of these petty misdemeanor offenses is an amount set annually by the Judicial Council, unless another fine amount is specified for that offense on the state payables list, plus applicable surcharges and law library fee. In 2025, the fine amount for statutory petty misdemeanor offenses is **\$50**.

Note: Administrative rule violations in the following chapters are petty misdemeanors: 6100 (excluding 6100.5000-6100.5800); 6105; 6136; 6218; 6270; and 9900, unless otherwise specified.

B. Petty misdemeanor offenses enhanced to misdemeanor violations are payable at the fine amount set for the petty misdemeanor, unless otherwise specified on the state payables list, except when enhanced to a misdemeanor under Minn. Stat. § 169.89, subd. 1(1), for a violation committed in a manner or under circumstances so as to endanger or likely to endanger any person or property. Payable offenses charged by citation are presumed to be payable, unless the endangerment box is checked. Offenses charged by complaint are not payable.

C. Payable misdemeanor offenses that may be enhanced to gross misdemeanor offenses are presumed to be payable if charged by citation. Offenses charged by complaint are not payable.

NOTE For Juvenile Payables ONLY: for any offense NOT charged under chapter 168, 169, 169A, or 171, 86B (Water Safety, Watercraft, and Watercraft Titling), and any other Minnesota Statute, Code of Federal Regulations, administrative rule, or ordinance offense where the Certify to DPS flag has been set in MNCIS as required by law the maximum fine per offense for a juvenile is \$100. See Minn. Stat. § 260B.235, subd. 4 (maximum fine for non-traffic, juvenile petty offenses is \$100.)

Statutory Citation format: chapter, section, and subdivision numbers are separated by periods. Paragraphs and clauses appear in parenthesis following the subdivision with no other punctuation.

For example, the citation for Minn. Stat. § 85.018, subd. 5, paragraph (a) appears as:
85.018.5(a). This citation format is consistent with the Minnesota Criminal Justice Statute Service and MNCIS.

Surcharges and Law Library Fees:

- 1) The **parking surcharge is \$12.00**. Minn. Stat. § 357.021, subd. 6, 2009 c 83 art 2 s 22.
- 2) When a defendant is charged with more than one offense in a case, the appropriate surcharge (\$12 parking surcharge or \$75 criminal/traffic) shall be assessed **only once in that case**. If a citation includes multiple offenses, one of which is a parking offense, assess the \$75 criminal/traffic surcharge on the case. Minn. Stat. § 357.021, subd. 6; 2009 c 83 art 2 s 22.
- 3) When a defendant is charged with more than one offense in a case, the appropriate law library fee shall be assessed **only once in that case**. If a citation includes multiple offenses with different law library fees, assess the highest applicable law library fee. Minn. Stat. §§ 134A.09, subd. 2a; 134A.10, subd. 3; 2009 c 83 art 2 s 6, 7.
