Felony Convictions From Registering To Vote And Voting¹**

WHEREAS, on March 2, 2023, the Minnesota Legislature passed S.F. 26 stating that “An individual who is ineligible to vote because of a felony conviction has the civil right to vote restored during any period when the individual is not incarcerated for the offense, the individual’s civil right to vote is lost only during that period of incarceration.”

WHEREAS, on March 3, 2023, Governor Timothy Walz, signed S.F. 26 into law, amending Minn. Stat. §§ 201.014, by adding subdivision 2a; 201.071, subdivision 1; 201.276; 204C.08, subdivision 1d; 204C.10; 243.205; and 609.165, subdivision 1, with an effective date of July 1, 2023.

WHEREAS, all defendants in the Second Judicial District, Ramsey County, sentenced to a felony sentence, including stays of imposition, have been ordered, as a standard condition of probation, not to register to vote and not vote until their civil rights have been fully restored.

WHEREAS, this standard condition of probation is contrary to Minn. Stat. § 201.014, subd. 2a, and the felony sentence for each of these defendants should be amended to avoid confusion. Minn. Stat. § 243.205 places the responsibility for notifying these defendants of their right to vote and supplying a voter registration application on agencies responsible for felony supervision and officers of state and local correctional facilities.

It Is Hereby Ordered:

Effective July 1, 2023, the sentence and condition of probation for each defendant on felony probation, which prohibits those convicted and sentenced of a felony offense, including stays of imposition, from registering to vote and voting is hereby **AMENDED**, as follows: “You may register to vote and vote provided you are not incarcerated in a state, federal or local jail facility.”

¹ The Minnesota Judicial Branch has republished this order to make it digitally accessible. There were no substantive changes. This order was previously signed by Chief Judge Leonardo Castro on March 23, 2023, and this order is effective on that date.
